

2015  
Community Services Plan  
Summary Table

**2015 Community Service Plan Summary Table  
Bassett Healthcare Network O'Connor Hospital**

County	Hospital	Priorities	Focus Areas	Goals	Interventions
Delaware	Bassett Healthcare Network O'Connor Hospital	Prevention Chronic Disease	Reduce obesity in children and adults	Create community environments that promote and support healthy food and beverage choices and physical activity	Encourage municipalities to adopt, strengthen and implement local policies and guidelines that facilitate increased physical activity for residents of all ages and abilities by adopting complete street policies, connect roadways to complementary systems of trails and bike paths. There are four municipalities in the County with Complete Street policies. Two others are considering passing Complete Street policies. Worked with the Rural Health Alliance of Delaware County to bring national traffic and health safety consultant, Mark Fenton, to Delaware County. Mark spoke in February and again in October. Engaged the Town of Colchester, Delhi and the County Board. Identified and proposed capital improvements to the hospital's grounds to encourage safety and physical activity.
				Prevent childhood obesity through early child-care and schools	Promoted the <a href="http://getoutandwalk.org">getoutandwalk.org</a> website. Highlighting the benefits of Complete Streets. Encouraged Primary Care practitioners to prescribe physical activity to patients. Hosted and promoted 1,000 Mile Challenge encouraging community members to walk 1,000 Miles in 2015.
				Expand the role of healthcare and health service providers and insurers in obesity	Increase the capacity of primary care providers to implement screening, prevention and treatment measures for obesity in children and adults; Promoted the Prescription Trails
