Release Valid From: _____ to _____ (If blank one year from signature date)

The releasing provider listed above is hereby authorized to release information from the medical records of the above named patient. This authorization permits release of information to include information such as psychological or psychiatric impairments, drug use and/or alcoholism, information indicating HIV-related test, HIV infection, HIV-related illness, AIDS or any information which could indicate potential exposure to HIV, and any information related to or regarding genetic testing.

I understand that Bassett Healthcare Network will not condition treatment on my providing authorization for disclosure. I further understand that I do not have to allow the release of this information in part or entirety. I acknowledge that I have the right to revoke this authorization at any time by sending written notification to Bassett Healthcare Network, Release of Information, or the site releasing the records. I understand that a revocation will not apply to information that has already been released.

I understand that the information to be released from the medical record is confidential and will not be released except to the person/institution named below. I acknowledge that any disclosure to a third party can lead to unauthorized re-disclosure by that person or others, which may not be subject to federal or state confidentiality laws. I also understand that a fee of $0.75 per page may be charged to the requestor for copying records.
