Patient Activation Measure (PAM) Pre-Screening Tool

Do you have Health Insurance?  

☐ YES  ☐ NO

If no, please conduct PAM Assessment (Select “No Insurance” in the Insurance field when creating a new user) and refer to an IPA Navigator.

If Yes, Proceed to the Non-Utilizer tab.

In the last 12 months, have you been actively insured with Medicaid without a gap in enrollment greater than three months without any claims for services including primary care, specialist care, care received in an emergency department, or an inpatient hospital admission?

☐ YES  ☐ NO

If YES proceed to administering a PAM assessment.  If NO move to the Low Utilizer tab.

Proceed with the Pam Survey if the Individual has had Active Medicaid for 12 months with no more than a three month gap AND they qualify for one of the four Boxes below.

☐ Two or more chronic conditions with no PCP visits in the previous 24 months

☐ Visited PCP two or less times in the previous 12 months

☐ Three or fewer visits in the previous 12 months with a PCP, Specialist, ER care or inpatient hospital stay

☐ ONLY received care in the ER, inpatient hospital services, eye care, dental care (any number of visits) in the previous 12 months

Individuals cannot be considered low utilizers if either of the two following conditions apply:

- The individual has received services for development disabilities (i.e. birth defects), nursing home care, or ongoing behavioral health care; or the member has consented to and is enrolled in the Health Home.

Revision Effective August 31st, 2017
