
PAMELA J. TINC

WORK

ONE ATWELL ROAD
COOPERSTOWN, NY
800.343.7527 EXT. 2230
PAM.TINC@BASSETT.ORG

EDUCATION

PhD in Public Health, October 2019 | Umeå University, Umeå, Sweden
Dissertation: Raising the (Roll)Bar: Exploring Barriers and Facilitators to Research Translation in US Public Health

MPH in Social Behavior and Community Health, May 2013 | University at Albany School of Public Health, East Greenbush, NY

BS in Biology (Minor: Chemistry), May 2011 | State University of New York at Potsdam, Potsdam, NY

BS in History, May 2009 | Clarkson University, Potsdam, NY

EMPLOYMENT

Junior Research Investigator, The New York Center for Agricultural Medicine and Health/ Northeast Center for Occupational Health and Safety in Agriculture, Forestry and Fishing (Affiliated with Bassett Healthcare Network), Cooperstown, NY, February 2018 - Present

Senior Research Coordinator, The New York Center for Agricultural Medicine and Health/ Northeast Center for Occupational Health and Safety in Agriculture, Forestry and Fishing (Affiliated with Bassett Healthcare Network), Cooperstown, NY, January 2016 - February 2018

Research Coordinator, The New York Center for Agricultural Medicine and Health/ Northeast Center for Occupational Health and Safety in Agriculture, Forestry and Fishing (Affiliated with Bassett Healthcare Network), Cooperstown, NY, October 2013 - January 2016

Graduate Student Intern, Schenectady County Department of Public Health, Schenectady, NY, January 2013 - May 2013

Graduate Student Intern, Office of Minority Health and Health Disparities Prevention, New York State Department of Health, Albany, NY, May 2012 - December 2012

Walker Fellowship Intern, Northern Area Health Education Center, Canton, NY, January 2011 - May 2011

Tinc PJ, Madden E, Park S, Weil R, and Sorensen JA. 2015. Concept identification for a power take-off shielding campaign. *J Agromed*. 20: 55-63.

LECTURES & ORAL PRESENTATIONS

Implementing Public Health Programs: Lessons Learned from the National ROPS Rebate Program. Bassett Research Seminar. December 10, 2019, Cooperstown, NY.

Consolidated Framework for Implementation Research (CFIR): An Evaluation Tool for the Creation of a Rural Based Center of Excellence in Transgender Health. The Gender Wellness Center's Network Advisory Board meeting. December 16, 2019 (online).

Applying the CFIR to the Implementation of a Center of Excellence in Transgender Health. 12th Annual Conference on the Science of Dissemination and Implementation in Health. December 6, 2019, Washington, DC.

Raising the (Roll)Bar: Exploring Barriers and Facilitators to Research Translation in US Public Health. Umeå University Dissertation Defense. October 25, 2019, Umeå, Sweden.

Applying Dissemination and Implementation Science to *Total Worker Health* Research

and Practice: What we need to Know. National Institute for Occupational Safety and Health (NIOSH) Total Worker Health Webinar Series. Panel with Ross Brownson, Washington University in St. Louis; Thomas Cunningham, National Institute for Occupational Safety and Health; and Pamela Tinc, Northeast Center for Occupational Health and Safety. July 2, 2019.

Raising the (Roll)Bar: Exploring Barriers and Facilitators to Research Translation in Public Health Using the Consolidated Framework for Implementation Research. Umeå University Department of Epidemiology and Global Health Seminar. May 27, 2019, Umeå, Sweden.

Implementation Science and Translation Research in Occupational Health and Safety Settings: Part 1 (Introduction and Process Models). National Occupation Injury Research Symposium (NOIRS). Panel with Paul Schulte, National Institute for Occupational Safety and Health; Thomas Cunningham, National Institute for Occupational Safety and Health, and Pamela Tinc, Northeast Center for Occupational Health and Safety. October 16, 2018, Morgantown, WV.

Implementation Science and Translation Research in Occupational Health and Safety Settings: Part 2 (Methods for Approaching and Evaluating Implementation Studies). National Occupation Injury Research Symposium (NOIRS). Panel with David Caruso, National Institute for Occupational Safety and Health; Eileen Betit, CPWR – The Center for Construction Research and Training; Theodore Teske, National Institute for Occupational Safety and Health, and Pamela Tinc, Northeast Center for Occupational Health and Safety. October 16, 2018, Morgantown, WV.

Applying the CFIR to Agricultural Safety and Health. Department of Veterans' Affairs Advancing Implementation Science Lab. September 12, 2018 (online).

Translating Evidence-Based Programs into Practice: Exploring Barriers and Facilitators to Research Translation in Public Health Using the Consolidated Framework for Implementation Research. Umeå University Department of Epidemiology and Global Health Seminar. September 20, 2017, Umeå, Sweden.

Home-Grown Influence Campaigns: Strategies for Boosting Social Marketing Efforts in Farm Populations. World Social Marketing Conference. May 16, 2017, Arlington, VA.

Social Marketing of Power Take-off Shields. International Society for Agricultural Safety and Health (ISASH) Annual Meeting. June 23, 2014, Omaha, NE.
