**OBJECTIVE:** The learner will be able to identify both standard and rare forms of cancer, their management and differentiate between surgical, chemotherapy and radiation plans.

**DISCLOSURE STATEMENT:** Bassett Medical Center relies upon planners and faculty participants in its CME activities to provide educational information that is objective and free of bias. In this spirit and in accordance with the guidelines of MSSNY and the ACCME, all speakers and planners of CME activities must disclose any relevant financial relationships with commercial interests whose products, devices or services may be discussed in the content of a CME activity, that might be perceived as a real or apparent conflict of interest. Any discussion of investigational or unlabeled uses of a product will be identified. The planners and faculty participants do not have any financial arrangements or affiliations with any commercial entities whose products, research or services may be discussed in these materials.

CONFERENCES MARKED (TV) ARE INTERACTIVELY TELEVIEWED TO BASSETT NETWORK SITES.
