

Step 2: Connect to Wi-Fi

Please see in-room instructions, or ask your care team about how you can connect to our guest Wi-Fi.

Step 3: Video Chat, Call or Text Your Loved ones

Instructions for Apple Devices - FaceTime

‡ If you have already saved in your contacts, tap the plus button + start FaceTime you see it pop up.

‡ If you have not saved in your contacts, tap the plus button + start FaceTime you see it pop up.

‡ Only call or text if you have a phone number. You can also use FaceTime chat.

Instructions for Android Devices - Google Duo

when you see it pop up.

If you have saved in your contacts, type in their phone number or email address and click the phone number below.

Once you select their name, you will have the option to select voice, video or message.

If you have not saved in your contacts, you may not be able to connect with you via Google Duo.

If you have not saved in your contacts, you may not be able to connect with you via Google Duo.
